

Employment Opportunity

Director of Coaching

Job Description

Are you a current or former cricket player with a background in coaching, a passion for the game and a desire to help guide the next generation of Aussie cricketers on the pathway to success? Like the idea of spending part of your week watching kids play cricket and helping a successful Inner North Brisbane Junior Cricket Club continue to grow and provide a fun, challenging and rewarding environment for our players?

Wilston Norths Junior Cricket Club is currently seeking an experienced and motivated Director of Coaching to help create and implement a training and coaching plan that will see our Club continue to provide an environment that produces talented young cricketers. As our Club expands and looks to the future we are seeking someone to be the face of our cricketing program internally and externally with an eye for emerging talent and the motivation to get the best from our players.

Working with the volunteer coaching and management staff you will provide mentoring and leadership to players, parents and officials through a collegiate approach to getting the best out of our juniors in the nets and out on the pitch. You will be involved in the management of the highly successful Wilston North Cricket Academy and represent the Club at selected functions and events.

Our ideal candidate will have experience working with children, an understanding of the future direction of cricket and be motivated to see junior cricketers continue on to senior, grade and representative pathways.

It is anticipated that the role will see you working consistent part-time hours through the summer season with the workload tapering off over winter.
